VINTAGE TRENDS

RECORD EARLY (yet again), ERRATIC, HOT START, COOL FINISH. April and May were unusually warm with triple-digit temps in early June, resulting in record early Bud-break, Bloom and Veraison. Abnormally cool weather in late June and July slowed the rapid rate of development and ripening, allowing for greater phenolic development while slowing sugar accumulation. We started Harvest on September 5th and continued picking at a steady pace until October rains and cooler weather set in, slowing development of later-ripening varieties and cooler vineyard sites. Vintage 2016 wines are showing fruit depth normally associate with warmer vintages, while retaining the acidity and complexity of a cooler one.

WINEMAKER NOTES

Since our first vintage of making rosé in 2005, our house-style Rosato has been made in the saignée style, where unfermented juice is immediately drawn away from the destemmed grapes, and fermented separately from the skins. It's kept very cold and ferments spontaneously ('house-indigenous' yeast) and very slowly in stainless steel.

TASTING NOTES

Fermented in stainless steel and not permitted to go through malolactic fermentation, this wine is fresh, bright, and juicy, with flavors and aromas of watermelon, rhubarb, strawberries, and cherry Jolly Rancher.
